

High Desert Animal Care Hospital
ANESTHETIC PROCEDURE CONSENT FORM

Pet(s) Name: _____

Client ID# _____

We recommend a **basic blood profile** for any pet undergoing anesthesia. This test which screens the major organs is available to help rule out any underlying disease. **It will tell us about liver and kidney function as well as infection, anemia, diabetes and test for electrolyte imbalances.**

Cost \$100.00

Yes _____ initial

No _____ initial

For cats, we highly recommend a **FELV/FIV viral test**, this disease is contagious and fatal, any new pet to a household can endanger the others:

Cost \$60.00

Yes _____ initial

No _____ initial

Your pet will receive pain medication during his/her stay, however we recommend an **anti-inflammatory injection** that will minimize post-operative inflammation and therefore increase their comfort.

Cost \$29.00

Yes _____ initial

No _____ initial

Pain medication for you to take home for your pet costs approximately \$15-\$25, depending on the size of the pet.

Yes _____ initial

No _____ initial
